## Too Late?

He was asked, why he was coming late. People had waited for him. Too late? Yes, too late. The eyes are focused on a little African man. He just arrives at an open air event – on his own. Nothing unusual, one would think. But for him it is far from normal.

It is the evening of February 28th. Evangelist Schott is in Nigeria once again, this time in Port Harcourt. He was invited to preach at an Open Air Crusade. Loud worship music of the church choir is roaring out of the loud speakers. Expectations are high. What will happen again in the presence of the Lord, today? The people experienced God's mighty move the previous day.

Today they are to be encouraged by the testimonies, in order to boost their faith for their own healings.

**He was blind, but now he sees!**

But one person is missing. He, of all people, should testify and encourage the others to also believe in Jesus and his miracle working power. But where is he? Will he come? – Finally he comes. Too late! – But for a good reason! He is late, because he was visiting with his neighbors, telling them that Jesus healed him. **He was blind, but now he sees!**

It is hard to believe, even the previous day he had to be led by somebody, because he was blind.

Dear friends and supporters of GEN! Events are overturning. One report follows hot on the heels of another. Political events accelerate world-wide – driven by media, made possible by the rapid technical development. News spread world-wide in a matter of seconds. Social networks "shout from the rooftops", what is spoken in secret.

What you have said in the dark will be heard in the daylight, and what you have whispered in the ear in the inner rooms will be proclaimed from the roofs. (Lk 12:3)

Shocking? It depends on what one speaks! Why not use the "Chinese Whispers" and spread the Gospel! Keeping with the slogan, "As for me and my facebook, we will serve the Lord!" This is what GEN stands for! We want to proclaim the Good News of Jesus Christ in the power of the Holy Spirit world-wide – with the help of all available media. And in particular the full Gospel of salvation, healing, deliverance, and blessing!

For example, healing is the „children's bread" (Mt 15:26). This bread has to be multiplied and distributed world-wide - very much in the spirit of the feeding of the 5,000 by Jesus. This is done by GEN through the media work and through the airing of the TV programmes in Asia and Australia.

I'm happy about another possibility to air the Gospel all over Europe, in the near future. Be part of it! Help us to reach Europe with the Gospel, by your prayers and your giving. More details on the following pages.

Opendoors Christian Centre describes what had happened, as follows:

This man was brought in yesterday by his neighbour, blind. During the prayer and hand-laying session done by Evang. Daniel Schott, his neighbour brought him out to be prayed for without mentioning his predicament to the Man of God. Few minutes later while the session was still in progress the man received his sight to the glory of the Lord. (from the facebook page of Opendoors Christian Centre)

That was only one of many healings, which happened that weekend in Port Harcourt. Amongst various other miracles, this time especially people with eye problems were healed. On Sunday, two more ladies testified that they were healed of eye problems during the crusade.

Even days after the crusade in Nigeria, we received wonderful news from the local Pastor:

"People are still sharing testimonies of how God used you to heal them during your ministration in Port Harcourt. Blessings to you and yours. We love you!!!!"

**Our God is a miracle working God! All the glory belongs to Him! We are rejoicing over His mighty move. He is glorious! Jesus, thank you for every salvation and every healing!**

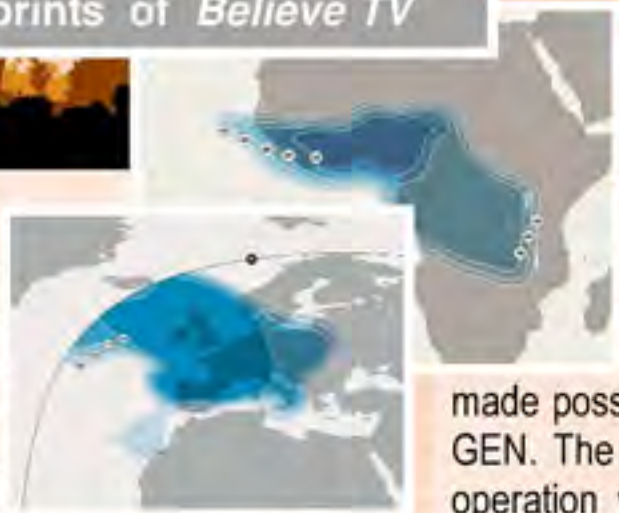

**TV-Ministry**

We are happy about the progress of the TV-ministry. According to the last status update, our TV-programmes are being aired via Isaac TV twice a day. This TV channel covers the whole of Asia and Australia. The sermons have also been aired in Sierra Leone.

GEN would like to also reach Europe and Africa with the TV-programmes. That is possible via Believe TV. We need additional financial support in order to go on air. A few steps have already been taken. GEN would have to receive additional pledges in order to be on air on a weekly basis.

Interested? We appreciate your financial support (specify your donation: TV-Ministry). For further details contact the GEN-office.

**The Gospel is the only chance!**

**Open Air Crusade in Rwanda Scheduled**

An Open Air Crusade in Rwanda, in September, is made possible by a generous donation to GEN. The crusade will take place in cooperation with the *Community of Bethel Churches in Rwanda*. The Gospel Meeting is scheduled for September 18th-20th in Nyamata, Bugesera District, Rwanda.

To hold a Gospel Meeting in Nyamata is of great significance. One of the most extensive devastations took place in that region, during the genocide against the Tutsi in 1994. When the genocide began, many people sought refuge in Nyamata. They looked for protection in the local Catholic Church. The marauding killers forced the door open and carried out a cruel bloodbath. About 10,000 people died in and around the Catholic Church, on April 10th, 1994.

Today, the church is a memorial site.

**The Gospel is the only chance! The Gospel only is the power of God to heal Nyamata!**

Please pray along with us for the following prayer requests concerning the crusade in Nyamata:

- Salvation of multitudes
- a mighty move of the Holy Spirit – healings, signs, wonders
- for all leaders, responsible for organizing the crusade
- wisdom, leading of the Holy Spirit, health
- good cooperation with the local churches
- favorable weather during the days of the crusade

*Erweckung provozieren* by Evangelist Schott is available. Here a short description:

Voices are being raised world-wide, calling for revival. People are looking back wistfully to revival movements of former times. Full of „holy“ envy people read reports of revivals in distant countries. But how

can revival take place here and now? Can revival be produced? Evangelist Daniel Schott finds answers to this question in 2 Chronicles 7:14. Revival cannot be produced, but it can very well be provoked!
